(2007-2011 SRF)

MOTION To Re-consider AARC PROPOSED ORDER FOR
EUGENE CURRY DISMISSAL due to Extraordinary Circumstances

My apologies to the court for its time. I thought as far as my limited knowledge of law had followed all that your Honors had requested to complying with your Order. The reason for lack of focus this one time to procedure to detail in these proceeding's, is that my lady Lisette Dejesus was diagnosed with two forms of Cancer. Breast, and Ovarian. She went through 6 hours of surgery with two surgeon's at the same time. Her having no family in Philadelphia, I had to become her care giver. I have included with this filing a copy of Fox Chase test results as proof for my reason why I haven't been 100% focused to these hearings. So if your Honors would re admit me to participate, I will figure out a way to keep up from this point forward if the Court would grant me the opportunity to continue to fight for the right to share in the distribution of these funds that which I am entitled to.

Thank you!
